Subject: Notice of File Closure, Robert Steele, Road Canyon Mine, S/027/0115, Millard County, Utah

Dear Mr. Steele:

The file for the referenced Notice of Intention to Conduct Exploration (Notice) is being retired. The Notice was received in 2010, and since the Division of Oil, Gas and Mining has not received a reclamation surety, the Notice has never been completed.

If you still desire to conduct any future mining or exploration related activity, please re-submit the Notice. The Division will need to receive a reclamation surety before any disturbance is allowed, and you will need to gain approval from any other appropriate agencies.

Please contact Peter Brinton at 801-538-5258 or me at 801-538-5261 if you have questions about this action.

Sincerely,

Paul B. Baker  
Minerals Program Manager
